EARTH DAY CLEAN-UP
SATURDAY
APRIL 23, 2005
8:00 A.M. to 1:00 P.M.

It is that time of the year to clean out your garages or sheds. Caledonia Charter Township will have two dumpsters available for our township residents at the hall located at 135 N. State Road. Please only bring items considered being rubbish. Do not bring garbage, hazard materials, batteries of any kind, yard waste, concrete and tires.

Joe DeCaire will be in charge of this project and will be on site to assist the residents.

Caledonia Charter Township gives thanks to Waste Management for their generous contribution of the use of the dumpsters for the day at no charge to the residents of the township.

Ron Sukenik
Supervisor
